

Semifinal Competition: Sylvia vs. Henry
Both competitors from Vietnam showcase remarkable techniques and intense competitiveness.

Our Chemistry teacher, Mrs. Klaassen, and our Math teacher, Miss Kouwe, joined us to compete in the "In it to Win it" Rubik's Race game.

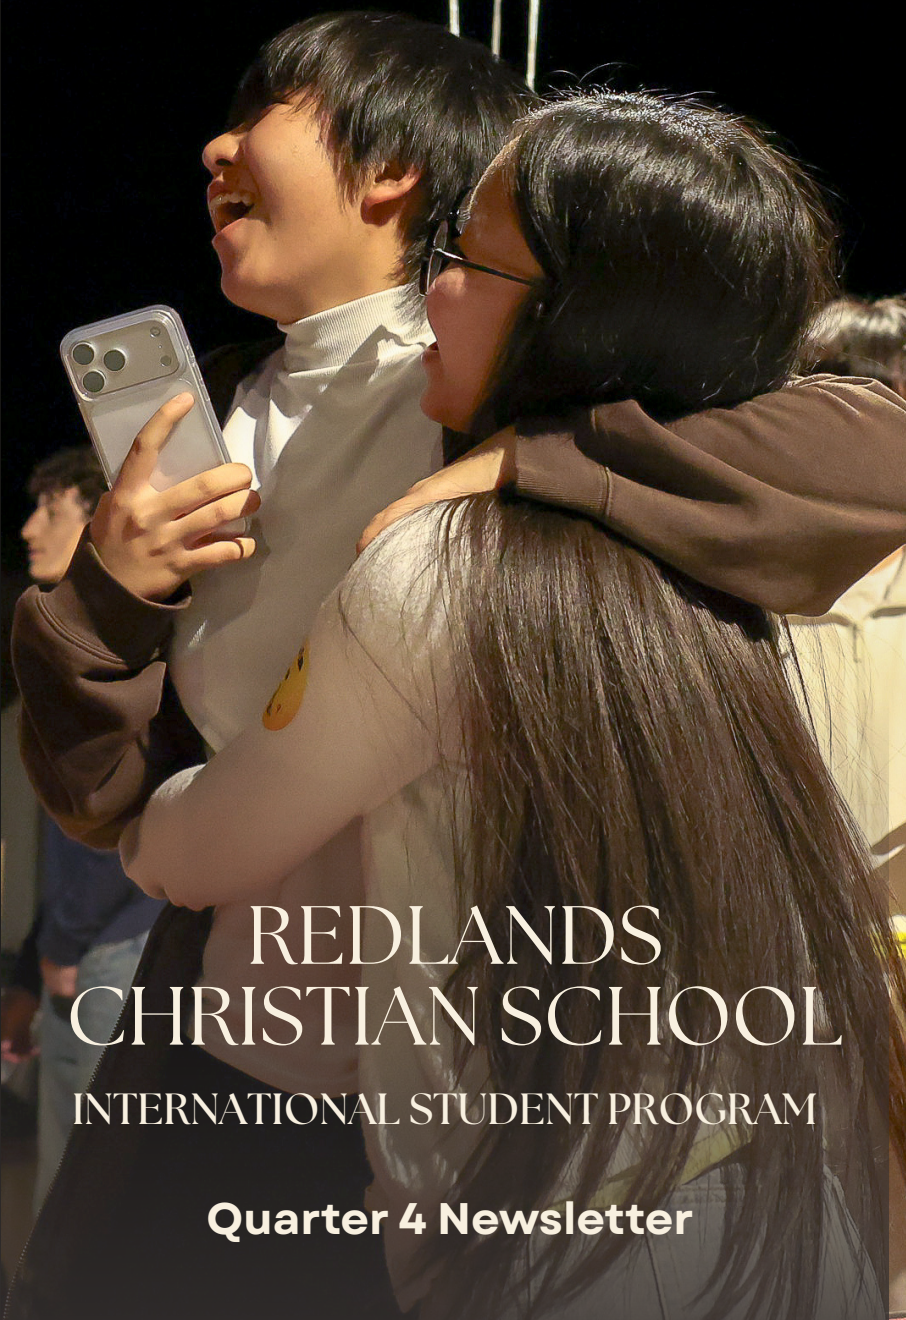

One of the game hosts, Mrs. Smith, also competes in the "In it to Win it" tournament.

Our Annual "In It to Win It" Tournament: A Resounding Success

This year's event was another triumph for our Annual "In It to Win It" tournament. The entire school community thoroughly enjoyed our presentation of the tournaments. We would like to extend our heartfelt thanks to our teachers and staff for their invaluable contributions in making a positive impact on our school community.
