International Student Annual Beach Trip 2025-2026

As we embark on the 2025-2026 school year, we took our international students and GVL domestic students to Huntington Beach for a bonding experience aimed at fostering teamwork. Led by Mr. Han, we kicked off with a team relay game that promoted team spirit and unity.

Global Vision Leadership Team Senior 2025-2026

We take immense pride in our GVL senior leadership team as they work towards achieving their school goals this year. Their role in preparing for college applications and guiding our younger classmates is crucial. We would like to continue praying for a successful school journey this year.

Message from Mr. David Han

Director of International Student Program

I am thrilled to share some updates about our international student program for this year! We are pleased to welcome new students from Vietnam, with three individuals arriving at various times to embark on their academic journey at our campus. We eagerly look forward to their achievements and sincerely thank their parents for their partnership and dedication to RCS. We believe that the presence of our international students is part of a greater plan, and RCS is committed to supporting their academic pursuits.

Our ongoing student program aims to foster a long-lasting partnership with international parents. We are excited to collaborate with them to ensure the best interests of our students.

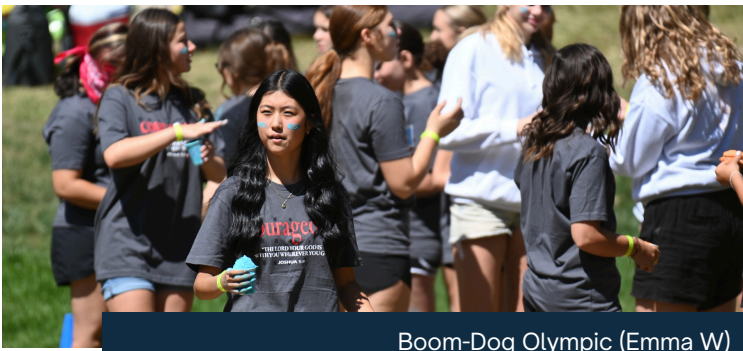

Annual School Retreat 2025-2026

This year, our entire school community came together at the Forest Fall Retreat Center from September 10 to 13. All students settled into their cabins with their bags and took the opportunity to connect with each other. Students from grades 9 through 12 shared their personalities and traits, forging strong friendships and supporting one another.

Under the guidance of faculty and staff, all upper school students participated in various activities, including chapels, Boom-Dog Olympic games, and link group meetings.

RCS Mobile App

RCS Mobile App

RCS school design team created school mobile app for our parents. Please download the app from your phone and find out most update school information.

Extracurricular Activity

RCS has introduced extracurricular activities for this year, featuring over 20 clubs representing a variety of interests. We encourage your child to participate in these club activities. We look forward to welcoming our international students as they engage in our club and leadership opportunities.
