- ✳ **International Day Event**
February 6, 2026
This is a special day as GVL/International students display their talents for the entire Middle School and High School student body.

Community Service Spotlight

Working Together, Growing Stronger

The GVL team is committed to giving back to the community through a meaningful service project. By supporting Micah's House, a place for low-income children, they focus on helping the local community. This initiative not only nurtures essential skills and builds confidence but also fosters a sense of unity and lasting, meaningful connections among the team. The GVL team's dedication to service ensures that every child at Micah's House feels supported and empowered to succeed.

Message from the Principal

My hope is that, in ACA, our international students would find a home away from home, where they are seen, known and loved. The value they add to our school is impossible to quantify. It is such a joy to see them integrate with our American students in a mutually beneficial way, where they learn more about the US experience and where we grow from learning about their culture. I am deeply grateful for the opportunity to invest in the lives of our international students and to see them thrive in a life-changing environment.

Teacher Feature

Mrs. Baker Enriches Students' Lives with the Power of Language

Once we became established in American culture, the greatest challenge we faced was developing our language skills. Mrs. Baker, who teaches the Essentials of Language and Literature for ninth grade and Essentials of World Literature for tenth grade, has made a significant impact on our international students. She understands the support our international students require to enhance their language abilities. We are truly grateful for her kindness and dedication to their language development journey.

“Learning beyond academics, shaping to lead with empathy in a connected world.”

—Mrs. Baker

This Quarter in Pictures

Global Vision Leadership Team has organized a community service project and an upcoming event known as the International Booth-Day project. We meet every other Tuesday to discuss ways we can make a positive impact on those around us.

Sport Highlight

Soccer Team Gears Up for Team Unity

Jung Chan Kim, an 11th-grade student, has auditioned for the soccer team this year. He values his teammates and feels thankful to be a part of the group. Through practices and games, he is uncovering important lessons and boosting his self-confidence. He enjoys how teamwork can lead to some of their most unforgettable moments together.

“Being a member of a team enhances my sense of value.”

—Jung Chan Kim
